Honolulu Community College Mathematic Department’s Pathway Plan

Students are advised to meet with an Academic Counselor to determine their major, their transfer school, and their required courses. Students are advised to consider the requirements of accelerated courses; the daily class time, the daily study time commitment, the daily assignment workload, and then carefully enroll into either an accelerated OR semester long course.

Two pathways:
STEM “CollegeAlgebra/Calculus Path” in **ORANGE**, with Dev.Ed set up as linear accelerated courses, starting with by-hand arithmetic and no 100-level co-req.s

NON-STEM “Non-Algrbra/Non-Calculus & Technical Path” in **BLUE**, with Dev.Ed set up as linear accelerated courses, starting with by-hand arithmetic and no 100-level co-req.s
