

2025-26 Parent Refusal to Complete the FAFSA

Student Name: _____

UH ID: _____

Phone Number: _____

Date of Birth: _____

When a student's parents do not support them and refuse to complete the Free Application for Federal Student Aid (FAFSA), the student may still be eligible to accept Federal Direct Unsubsidized Loans, which are not need-based and accrue interest from the date of disbursement. To be eligible, the student's parents must first complete this parent refusal form* to certify they do not provide financial support and refuse to complete the FAFSA. **Completing this form does not make the student independent for financial aid purposes.**

* If your parents also refuse to complete this form, contact the Financial Aid Office.

I, the parent, attest to ALL of the following:

I understand that the information provided on the FAFSA is only used to calculate a student's eligibility for financial aid. It DOES NOT mean that I am obligated or expected to provide financial support.

I have stopped providing cash and non-cash financial support (payment of educational costs, housing, food, health insurance, etc.) to the student, as of the following date:

(mm/dd/yyyy)

I do not provide financial support to the student and will not in the future.

I refuse to complete the parent section of the FAFSA.
